Sir, (Through the Sanitary Commissioner)

With r[illegible] o Government Order No R 14101-3/M1 34-19-95 dated 24-6-1920, sanctioning the enhancement of the conveyance allowance of the Health Officer from Rs 50/- to Rs 100/- per month if he maintains a Motor Car and stating that no Local allowance need be granted, I have the honor to state that the recommendation of the Council in respect of the local allowance of Rs 50/- be reconsidered In consideration of the cost of life in Bangalore and the position to be maintained by the Health Officer in charge of the Sanitation of an important City like Bangalore, his present emoluments are quite inadequate and the grant of a local allowance to him is , I submit, very necessary

2 A copy of his further application dated 12-7-20 is enclosed for favorable consideration If however the Government are not pleased to sanction any local allowance as prayed for, a personal allowance of Rs 50/- which may be absorbed when he earns his increments may be sanctioned

3 I, beg to add that the enhancement of the conveyance allowance to Rs 100/- if he maintains a Motor Car

Letter No 37 dated 12th July 1920, from Dr F Fernandes Health Officer, Bangalore City, to the President, City Municipal Council, Bangalore

****

The resolution of the Municipal Counci, Bangalore City recommending me a conveyance allowance of Rs 100/- from Rs 50, and grant of a local allowance of Rs 50/- per mensem in addition, was communicated to the Government in your letter No 206 dated 16-2-1920 for their favorable consideration and orders thereon

2 In their Order No R 14101-2/M1 34-19-95 dated the 24th June 1920, Government have sanctioned the enhancement of the Conveyance allowance of the Health Officer from Rs 50/- to Rs 100/- per mensem if he maintains a Motor Car, and they consider that no local allowance need be granted

3 In Order No G 18997-9/San 73-17-6 dated 1-3-1919, Government have laid that the Cities of Bangalore, Mysore and Kolar Gold Fields should have 3 Health Officers paid by the respective Local Bodies

4 In the same Order para 2 that the Health Officers(3) are to get a pay of Rs 400-30-700 per mensem

5 Lately the designation of the 4 District Sanitary Officers and 1 Assistant to the Public Health Institute and Officers (reserved) has been changed into Health Officers of the 2nd Class and the 3 Health Officers named above of the Cities of Bangalore, Mysore and Kolar Gold Fields are included amongst the 1st Class

6 I have already informed you that my emoluments are not in keeping with the onerous duties and responsibilities of the Health Officer of the premier City like Bangalore and this was endorsed by the late Honorary President Dewan Bahadur Rajasabha Bhushana Mr K P Puttanna Chetty, C I E

7 Under these circumstances and in view of the unfavorable Government Order in my case I beg to request that you will be so good as to move the Government with your strong support and recommendation to reconsider their Order and

if this is inconvenient, to give me a Conveyance allowance of Rs 100/- leaving the Proviso " if he maintains a Motor Ca and give me a personal allowance of Rs 50/- which will be at sorbed in the increments I earn annually
